Privacy Statement

Worldlink Press Publishers website, with the exception of the membership system and the discussions facility, does not capture or store personal information, but merely logs the user's IP address (the internet address of your computer) to give us an idea of which part of our website you visit and how long you spend there.

Children and privacy

Our website target children who are able to read and can be able to consult their parent on the benefits of our products leading to their purchase by their parents or any individual with the billing information

Questions or concerns about personal data

If you have any questions or concerns about our collection, use, or disclosure of your personal information, please write to info@worldlinkpresspublishers.com

Information Sharing and Disclosure

By providing personal information you are deemed to consent to your personal information being shared outside the Worldlink Press Publishers in the following circumstances:

Where the Worldlink Press Publishers needs to share your information to provide the service you have requested.

Where Worldlink Press Publishers needs to send the information to companies who work on behalf of Worldlink Press Publishers to provide a service to you (we will only provide those companies with the information they need to deliver the service, and they are prohibited from using that information for any other purpose).

Where Worldlink Press Publishers wants to keep you up to date on the latest service announcements, software updates or other information the Worldlink Press Publishers thinks you would like to hear about either from us or from our business partners.

Worldlink Press Publishers will also disclose your personal information if required to do so by

law in urgent circumstances, to protect personal safety, the public or our website.

We may aggregate statistics, responses to any surveys and questionnaires, traffic patterns and related site information and disclose such aggregate data to third parties for marketing, advertising or other promotional purposes but such aggregate data will not include any Personal Information. To enable the Worldlink Press Publishers to monitor and improve our website, we may gather and record on our servers certain aggregated information about you when you use it, including without limitation, details of your operating system, browser version, domain name and IP address, the URL you came from and go to and the parts of our website you visit. Such information is primarily used to provide you with an enhanced on-line experience.

If, in the course of you using the services on the website, you provide Worldlink Press Publishers with personal information which relates to your racial or ethnic origin or opinions, religion or other beliefs of a similar nature ("Sensitive Data") we will not disclose this sensitive data to any person for any reason without your express prior consent.

You must at all times ensure that the personal information you provide is accurate and complete and all registration details (where applicable) shall contain your real name, address and other requested details.

You will notify the Worldlink Press Publishers of any changes to these as soon as you are able so that the Worldlink Press Publishers can update its records.

You are solely responsible for your personal information and we may take any action with respect to your personal information we deem necessary or appropriate if we believe it may cause the Worldlink Press Publishers to suffer any loss, liability or commercial damage.

Any information provided by you in connection with any transaction regarding your credit or debit card numbers, expiry date and billing or delivery address will be used by us, or by others on our behalf, to process the transaction. These details will be stored on a secure server and encrypted and may be used by us to facilitate and personalize future transactions with you.

Whilst we will take all reasonable steps to protect your personal information, we cannot guarantee the security of any personal information you disclose online. You accept the inherent security implications of dealing on-line over the internet and will not hold Worldlink Press Publishers responsible for any breach of security unless we have been negligent and then only to the limits set out in the terms and conditions for this Website.

Members of any membership area on any Worldlink Press Publishers website are entirely responsible for maintaining the confidentiality of their password and account. Furthermore, members are entirely responsible for any and all activities that occur under their account and agree to indemnify, defend, and hold harmless the providers for any liability or expense arising from such use or misuse. Members agree to immediately notify the providers of any unauthorized use of their account or any other breach of security known to them.

Worldlink Press Publishers data is stored in controlled servers with limited access. Your information may be stored and processed by kenya web experts
